

Congrats on saying YES to YOU and for joining the waitlist.

Amazing healing happens when we combine nature, community, sun, fun, silence, movement and more. The women who gather to experience this journey are unique and beautiful just like you!

This Spring Women's Wellness Retreat will ask you to embrace yourself with all your heart and create the space for you to listen to your own intuitive voice.

I am NOT exaggerating when I say that THIS RETREAT could change your life in all the best ways.

I am thrilled to bring some of my most valued experiences and opportunities to you. Sharing tips and tools to empower other women to enhance their true magnificence, purpose and radiance is my favorite thing to do.

Excited?? I KNOW! ME TOO!

I am busy confirming final details and dates for the next offering of this powerful retreat. You are now on the waitlist which means you will receive PRIORITY REGISTRATIONS as soon as it becomes available.
